Re: Upcoming Early Dismissal Days

I am writing to confirm that the "early dismissal" days for our school that are scheduled for October 19th and 20th will proceed as planned. Students will be dismissed on these dates at 1:00 p.m. If your child is on a regular school bus route, the bus will pick them up at the school at the early dismissal time.

These early dismissals provide an opportunity for parents and teachers to make contact and exchange information or address any questions you may have about your child's progress in the classroom. If you would like to have a conversation with your child's teacher(s), please contact them directly to arrange a time. All teachers have a voice mailbox at the school to facilitate making contact. A list of telephone extensions for each teacher has been provided for you on the back of this letter.

Alternatively, you can email teachers with requests for conferences. The school district's email system requires that staff filter their individual emails. In the event you send an email to a teacher and do not get a response, please call the school and leave a voice message asking them to check their email spam.

Remember that if you have any questions at any time during the school year about your child's progress, please don't hesitate to contact their teacher(s).

Sincerely,

Mr. T. White
Principal
Springvalley Middle School
